Setting your class with Piazza is very easy and only requires a couple of steps from the instructor.

1. Go to https://piazza.com
2. Click on Instructors Get Started
3. Enter USC in the Search Schools field to bring up University of Southern California. Click on University of Southern California
4. Select the appropriate term, and enter the appropriate information for class name, click on **Create a New Class**

![Create a New Class](image)

5. Enter some quick information about the class then click on **Create Class**
